# DEVELOPING SOCIAL ENTERPRISE VENTURES CREATIVITY IN CARE CIC

---

Social enterprises have the potential to make a real difference when engaging our communities and creating sustainable social and economic impact.

This is a one-day programme that will bring together directors, staff, associates and stakeholders of Creativity in Care CIC to review its development as a social enterprise.

You will support each other to gain clarity over the vision of your social enterprise venture and shape a plan on how to action its realisation and/or sustainable development.

This approach may highlight any challenges your strategy will need to overcome or develop key questions of thought informing future resolution.

## DURING THIS PROGRAMME YOU WILL:

- Gain clarity on the values of your venture, focusing on social impact and attitude to risk
- Identify the scope and market for your social enterprise - what is key to its success?
- Strengthen your understanding of financial support available and investment required
