# PRACTITIONER-LED LEARNING EXCHANGE

**This programme is a unique opportunity to explore and develop your participatory facilitation skills alongside Malaysian social entrepreneurs and changemakers.**

**Throughout this 4-day programme you will build on and share your own experience of facilitation whilst making connections with others and exploring social change.**

**You will examine the tools and techniques being used across the world by facilitators enabling transformational learning to support you in creating positive change in your organisation.**

## **THIS PROGRAMME WILL SUPPORT YOU TO:**

- Share and build on your experience as a facilitator using participatory and non-directive techniques
- Develop and employ learning methods that will help identify and cater to the needs of learners at all levels
- Deepen your understanding of models of learning and facilitation
- Work towards an Institute of Leadership and Management (ILM) Endorsed Award
- Connect with peers who are facilitating transformational learning that supports leaders at all levels
- Learn about social entrepreneurship and learning and development as a tool for creating social change in Malaysia

## **LEARNERS**

This programme is for both potential Social Enterprise Academy Tutors and also other facilitators keen to share experience and gain a better understanding of facilitating learning for individuals, organisations and communities.

## **ACCREDITATION**

On completion of this programme you are eligible for recognition by the Institute of Leadership and Management (ILM):

**1. ILM Development Programme** if you attend all four days.

**2. ILM Endorsed Award** if you also complete additional elements including observation, co-delivery and an assessment.

The ILM is a worldwide network of over 2,000 accredited centres providing flexible, practical, quality assured management development programmes.
